Trinity Lutheran Church
6215—196th St. S.W.

**Thursday,
October 19, 2006**

Registration: 8:00AM- 8:30AM
Program: 8:30AM-12:30PM

CEU's available upon request

**Sponsored by
Stevens Healthcare,
Snohomish County Division of
Long Term Care & Aging,
CareForce**

Learning Objectives:

At the conclusion of this workshop, learners will be able to:

- Recognize the signs and symptoms of changes that are not part of normal aging and use techniques effective in interacting and creating positive relationships with people with dementia.
- Describe the progression of dementia condition, highlighting retained skills, abilities and methods of still connecting and meeting spiritual needs.
- Build on their own experiences to incorporate the spirituality into their sharing with those with dementia.
- Learn three specific ways to utilize spirituality through ritual, music and worship
- Learn four ways to keep hope alive for caregivers of those with dementia
- Name three ethical issues related to the care of individuals with dementia
- Understand the difference between providing food and water for individuals with dementia and treating individuals via medical hydration and nutrition.

Presenters

Teepa Snow, MS, OTR/L, FAOTA

Teepa is an occupational therapist currently serving as the education director and a lead trainer for the Eastern North Carolina Chapter of the Alzheimer's Association. Her professional experience includes Counseling Associate for Duke University's School of Nursing, clinical associate professor at the University of North Carolina's School of Medicine on an interdisciplinary team, and Fellow of the American Occupational Therapy Association. Ms. Snow has received local, statewide, and national recognition for her expertise in geriatrics, dementia care, functional abilities, and individual care. She has developed two training videos, published many articles, and presents locally, regionally, and nationally.

Rev. Mary Hanke

Mary E. Hanke, Chaplain at Stevens Hospital for 14 years, trained in medical ethics through the UW Medical School Summer Seminar and UW Nursing School annual continuing ed. Programs. She is experienced in leading forums on end of life issues. 30-40% of Stevens Hospital patients are senior citizens. Rev. Hanke is

the VP of S. Snohomish County Ministerial Assoc., an ordained pastor in Presbyterian Church (USA), a member of Seattle Presbytery, and a certified grief counselor.

Marty Richards, MSW

Marty Richards has been a geriatric social worker for 39 years, is affiliate assistant professor of social work at the UW, and has a private practice in Pt. Townsend. She works with congregations and long term care entities on issues of spirituality and dementia and is past chair of the Forum on Religion, Spirituality and Aging of the American Society on Aging.
